MISSION STATEMENT

It is the Mission of Heritage Christian School's Athletic Program to:

1. Honor God with our actions, words and talents both on and off the playing field.
2. Provide memorable experiences through the building of character, teamwork, and athletic ability.
3. Encourage students to play in a competitive sport, while achieving academic standards, engaging in physical activity, and displaying proper sportsmanship.
4. Provide coaches who are strong believers in Christ and examples to their players while creating character-driven and coachable athletes.

OUR PERSPECTIVE ON SPORTS

We believe the Lord has gifted each young person and coach in unique ways that can be enjoyed and developed fully through the sport of their choice. "Whatever you do, do it enthusiastically, as something done for the Lord and not for men, knowing that you will receive the reward of an inheritance from the Lord— you serve the Lord Christ." Colossians 3:23

We believe that winning can be a natural result of hard work. The Bible specifically encourages excellence in all things. "Run in such a way that you may win...however, they do it to receive a perishable crown, but we an imperishable one." 1 Corinthians 9:24-25. Therefore, while we will "run to win" we will also teach our athletes how to compete in a way that pleases the Lord and develops eternally significant character qualities.

PURPOSE

1. To please God and bring Him honor.
2. To demonstrate a positive attitude towards the school, its rules, teachers, and Christian standards.
3. To represent Heritage Christian School and the athletic program, promote and uphold school spirit, and demonstrate good sportsmanship.
4. To develop discipline in individual lives and leadership skills.
5. To have respect for authority, learn to work as a team and develop a sense of responsibility.
6. To exhibit maturity and the attributes of a Christ-centered life, both on and off the campus.
7. To be positive, support our teams, and refrain from any negative attitudes.

6. Uphold the Highest Integrity - Uphold the rules of fair play. Proverbs 10:9, II Timothy 2:5

12. Use Appropriate Language - Honor God with the use of words and encourage others. James 1:26

CHEERLEADER'S RESPONSIBILITY/CONDUCT

1. Always be prompt to practices and games.
2. Notify the coach of any practices or games that you will be missing at least 24 hours in advance.
3. Athletes missing school for more than two class periods, for any reason other than a school sponsored or approved activity, may not participate in any school function or activity that day.

SCHOOL YEAR COMMITMENT

1. Cheerleading is a demanding time commitment and should come before ALL other non-academic activities.
2. Fall Season - Cheer supports Boys' Football.
3. Winter Season - Cheer supports for Boys' and Girls' Basketball.
4. During fall season practices are held 1-3 times a week from 3:15-5:30 and games are on Saturdays.
5. During winter season practices are held 1-3 times a week from 3:15-5:00 and games are 1-2 times per week with varying times.

SUMMER COMMITMENT

1. Summer practices will begin in May/June.

2. If needed, extra practices or extended practices may be called anytime during the summer or school year. Advance notice will be given.
3. Schedule doctor and dentist/orthodontic appointments around practice dates and times.
4. Illness will be the only excused absences.
 - If a cheerleader has an excused absence during the practice before a game or when halftime preparation takes place, they must sit out that halftime.
 - If a cheerleader has an excused absence on a game day, they may not cheer in the game.
5. **Cheerleaders or parents must contact the coach as soon as they know they are not going to be in attendance to any game or practice for ANY reason.**
6. An unexcused absence will result in a benching of the entire game.
7. If a problem persists, the cheerleader will be removed from the team.
8. All disciplinary action regarding attendance will be reported to the Athletic Director.

FINANCIAL RESPONSIBILITIES

1. In addition to the time commitment, being on Middle School Cheer is a financial commitment.
2. Once chosen as a member of the team, cheerleaders and families are financially responsible for all monies owed whether or not they complete the year on the team, as camp fees are non-refundable and uniforms specific to the individual.
3. The cost for camp is approximately \$500.00
4. The cost for uniforms, camp/practice gear, and other miscellaneous items can run between \$600.00 and \$800.00 and may be paid in payments.
5. A standard athletic participation fee applies to all middle school sports teams.

PRACTICE RESPONSIBILITIES

1. All practices are mandatory.
2. Cheerleaders should arrive with proper practice clothes, hair pulled back, and cheer shoes.
3. No jewelry is to be worn.

GAME DAY RESPONSIBILITIES

1. Arrive at the game in FULL uniform.
2. Uniforms are to be kept clean and presentable.
3. Hair is to be neat and combed into the hairstyle previously determined for each game.
4. No jewelry is to be worn.
5. Bring accessories such as cheer bag with pom poms, bodyliner, and jacket to every game.
6. During the game, maintain a professional demeanor and project a good attitude.
7. Show respect toward the visiting opponents and opposing coaches and fans.
8. When hosting, meet and pray with the visiting cheerleaders; make them feel welcome, and answer any questions they may have.
9. Violations of these responsibilities will result in discipline at the discretion of the coach.

PARENT/FAN RESPONSIBILITY AND CONDUCT

1. Show proper respect to the players on both teams. Remember that each one of them is someone's son or daughter.
2. Show proper respect for the visiting crowd. Treat them just as you would like to be treated in their gym or at their field.
3. Show proper respect for officials and to their legitimate position of authority over the game.
4. Remember that the other team's players, coaches and fans are not our enemies. They are merely our opponents in a game.
5. Please do not "BOO" or otherwise show a negative reaction to an official's decision or to a player's performance.
6. Remember that the Lord sees our actions and knows our thoughts and the intents of our hearts.

ARE YOU A GOOD SPORT?

A checklist for parents and players:

1. Always play by the rules.
2. Control your temper.
3. Cheer good plays made by either team.
4. Don't talk trash, tease or taunt opponents.
5. Demonstrate good sportsmanship at all times.
6. Don't yell at teammates for making a mistake. Never criticize teammates or coaches on the sideline.
7. Admit your mistakes instead of making excuses or blaming others.
8. Try your hardest on every cheer, even if the team is losing by a lot.
9. Don't use profanity of any kind.
10. Don't show off.
11. Have fun!!!

ADVICE FROM COACHES TO PARENTS

◆ Don't question the coach's decision in front of the players.

If a coach does something during a performance or practice that you disagree with, please speak with the coach privately, away from the cheerleaders. Confrontations in front of the cheerleaders can lead to loss of respect toward coaches and/or parents. (Always speak directly with the coach, not to others. Matthew 18)

◆ Don't verbally abuse officials.

Officials are unbiased individuals hired to officiate an athletic event. Although at times we may disagree with an officials call, we need to understand that they are human and that they are doing the best they can. Any disputes in calls should be dealt with by the coaches.

◆ Let the coaches coach their team.

Within each parent there is a natural tendency to want to see their children do well. During the excitement of the game parents can often become "sideline coaches." Please allow the coach to do the coaching. Too many voices instructing the players at one time only leads to confusion.

◆ Be supportive.

Encourage your daughter. Help them to find something positive about their performance. Help them to evaluate their performance and ways to improve. Even if they lose, try to get them to acknowledge that they did their best and that alone makes them winners. Remember to pray often with your daughter. Pray that they will do their best unto the Lord.

ACADEMIC ELIGIBILITY FOR SPORTS

The following eligibility rules apply to participation in sports during the regular school year, not to summer sports.

A student's GPA includes all grades listed on the report card. Grades used to determine eligibility are those listed on the report card at the end of the grading period.

Students are required to maintain a minimum GPA of 2.0 and have no more than one "fail" or two D's for each of the previous two grading periods to be eligible to participate in games during the next grading period. However, if a student does not maintain a minimum GPA of 2.0 or has more than one "fail" but it is not the second consecutive grading period doing so, then the student is placed on "probation" for the next grading period. During the probationary grading period the student is permitted to participate in practices and games. Students who still do not meet the academic eligibility requirement at the end of their probationary grading period are not permitted to participate in games during the next grading period effective the day listed on the school calendar as the end of the grading period; and, they may not participate in practices until the mid-period progress grades indicate that the student meets the eligibility requirement. Students who meet the academic eligibility requirement at the end of their probationary grading period are removed from probation having now regained full eligibility for the next grading period.

Summer school grades may be averaged in with second semester grades to recalculate the second semester GPA.

Participation fees will not be refunded in the event an athlete becomes ineligible during the season.

Before a student can participate in tryouts, he/she must be currently enrolled for the following school year and have the following items on file in the school or athletic office:

1. Proof of medical insurance
2. Pre-participation Physical Exam Form
3. Three (3) Teacher Evaluations
4. Permission to tryout and financial/time commitment acknowledgement

Before a student can participate in practices or games, the following items must be on file in the school office:

1. Sports Participation Fee, paid in full by the first day of school.
2. Athlete/Parent Handbook Signature Statement Form signed by parent(s) and student.
3. Sports Release signed by parent(s).
4. Delphic League Athletes' Code of Ethics signed by parent(s) and student.

To participate in games or practices, an athlete must attend at least five class periods on the day of the game or practice.

ATHLETIC PARTICIPATION

Athletic participation at Heritage Christian School is a privilege that is earned through academic study, adherence to school policy, and athletic performance. Information concerning athletic eligibility is in this Handbook.

MAKING THE TEAM

Heritage Christian School encourages participation in all school activities. However, because of a sport's popularity, or league rules, the number of students on any particular team may be limited. The coach carries as many players as the limitations and rules will accommodate. Because of these limitations and the differing athletic abilities of our students, some students trying out for teams will not make the team. The coach's decision on who makes the team is final. Both parents and student athletes should remember that athletic skills and abilities vary depending upon age and practice. Many successful student-athletes did not make the team on the first try.

QUITTING A TEAM

After being selected to a position on any team, any athlete that quits the team for personal reasons will not be refunded any portion of the participation fee, nor be allowed to participate in any sports the following intended sport season. Exceptions will be heard only by the administration.

Once chosen as a member of the team, cheerleaders and families are financially responsible for all monies owed whether or not they complete the year on the team.

DISMISSAL FROM A TEAM

Coaches are responsible for the conduct and discipline of their team. The method of discipline of athletes depends on the severity of the infraction and past disciplinary history. Coaches will use many methods of discipline in attempting to correct an athlete's conduct. These include counseling, communicating with parents, assigning additional work, suspension from practice and/or games, and dismissal from the team. Usually, dismissal from the team, depending on the violation, is the last step the coach will take, however, some infractions are so serious that dismissal may be warranted without prior disciplinary action. The coach's decision on imposing discipline, including suspension and dismissal is final. Conduct warranting dismissal includes:

1. Major school infractions leading to suspension or expulsion from school
2. Consistent absenteeism from practices or contests without legitimate excuses
3. Insubordination to coaches or other school personnel
4. Use of alcohol, drugs, or tobacco on or off campus
5. Inappropriate use of social media

INJURY

If an athlete is injured at a practice or game, he/she is responsible to make the coach aware of the injury. When an injury involves a follow-up evaluation from a doctor, information regarding release to return to school/sports or restriction from sports must be submitted the first day the athlete returns to school. This information is submitted to the health attendant. Athletes on restriction from their doctor due to injury WILL NOT be allowed to participate in practice or games. A doctor is the only one who can release an athlete to return to play/activity.

TRANSPORTATION

1. Transportation will be provided and or arranged by the school for all weekday games and events, however, transportation is not provided for Saturday football games.

RELEASING ATHLETES TO PARENTS AFTER GAMES

Student athletes who were transported to sporting events/activities by bus or school van do not have to return to school on the bus/ school van if the parent notifies the coach. Each coach will have a roster in his/her possession for each athletic event that the parents can sign indicating that the athlete will go home from the game with a parent. A coach can also release a child to ride with another parent if the child has a note from his/her parents giving that parent permission to take the child. Any parental notes must have dates.

ATHLETIC FEES

1. There is a (*per sport*) fee assessment for each student desiring to participate in any interscholastic sport.
2. Once the school year has begun athletes may not participate in practices or games until the athletic fee is paid in full.
3. Participation fees will not be refunded in the event an athlete becomes ineligible during the season.

ATHLETIC PRECAUTIONARY & CONSENT TO PARTICIPATE STATEMENT

Participation in competitive athletics may result in severe injury, including paralysis or death. Changes in rules, improved conditioning programs, better medical coverage, and improvement in equipment have reduced the risk, *BUT IT IS IMPOSSIBLE TO TOTALLY ELIMINATE SUCH OCCURRENCES FROM ATHLETICS.*

Players can reduce the chance of injury by obeying all safety rules in their sport, reporting all physical problems to their coaches, following a proper conditioning program, and inspecting their equipment daily. *DAMAGED EQUIPMENT MUST BE REPORTED AND REPLACED IMMEDIATELY.* Even if all the requirements are met, and even if the athlete is using excellent protective equipment, a serious accident may still occur.

MEDIATION AND ARBITRATION OF DISPUTES

1. HILLCREST CHRISTIAN SCHOOL a California nonprofit corporation dba HERITAGE CHRISTIAN SCHOOL (the "School") is a Christian institution which believes that the Bible commands individuals to make every effort to live at peace and resolve disputes with one another in private and within the parameters set by the Christian Church (see Matthew 18:15-20; 1 Corinthians 6:1-8). Therefore, the School, and the parents, legal guardians, and legal representatives of its students (hereinafter the parties) agree that except as expressly exempted from these provisions, any and all claims or disputes which would otherwise be the basis for legal or court action, which arise from or are related to the School and its operation, including all aspects of a student's relationship with the School, its administrators, faculty, and staff, shall be settled by biblically based mediation and, if necessary, legally binding arbitration.
2. The parties hereto agree to mediate any dispute or claim as above described arising between them before resorting to arbitration. Mediation is a process by which parties attempt to resolve a dispute or claim by submitting it to an impartial, neutral mediator, who is authorized to facilitate the resolution of the dispute, but who is not empowered to impose a settlement on the parties.
3. The mediation shall be conducted in accordance with the **Rules of Procedure for Christian Conciliation** contained in the booklet **Guidelines for Christian Conciliation** promulgated by the Institute for Christian Conciliation a division of Peacemakers Ministries (or its successor), whose address is P.O. Box 81130, Billings, MT 59108. (406) 256-1583. A copy of the Rules of Procedure are available in the school office or online at www.Peacemaker.net under the Institutes button. The mediation shall be conducted at a location, in the San Fernando Valley, as determined under the Rules. The parties to the dispute may mutually agree to the selection of an alternative method of mediation and/or a mutually acceptable alternative mediator to resolve the dispute.
4. If any party commences an arbitration or court action based on a dispute or claim to which the mediation provision applies without first attempting to resolve the matter through mediation, then in the discretion of the arbitrator(s) or judge, that party shall not be entitled to recover attorney's fees, even if they would otherwise be available to that party in any such proceeding.
5. The parties hereto agree that any dispute or claim in law or equity arising between them which is not settled through mediation, as above provided, shall be decided by neutral, binding arbitration and not by court action, except as provided by California law for judicial review of arbitration proceedings.
6. The dispute shall be submitted to binding arbitration in accordance with the **Rules of Procedure** promulgated by the Institute for Christian Conciliation, whose address, telephone number, and web address are provided above. In the event the arbitrator or arbitrators selected pursuant to the **Rules of Procedure** above decline to act, either party may submit the dispute to arbitration in accordance with the Rules of Procedure of ADR Services, Inc. (ADR) or Judicial Arbitration and Mediation Services, Inc. - Endispute (JAMS-Endispute). The selection between ADR and JAMS-Endispute shall be made by the claimant first filing for arbitration. The parties to an arbitration may agree in writing to use different rules and/or arbitrator(s). The cost of mediation and/or arbitration shall be governed by the Rules of Procedure. The parties shall have the right to discovery in accordance with Code of Civil Procedure Section 1283.05. In all other respects, the arbitration shall be conducted in accordance with Part III, Title 9 of the California Code of Civil Procedure. Judgment upon any arbitration award may be entered in any court having jurisdiction thereof.
7. Exempted from the provisions of these mediation and arbitration provisions is the collection of monies due the School for tuition or other charges. Such collections may be enforced directly by legal action. The mediation and arbitration provisions created herein are not intended and do not give parents, guardians, or other legal representatives standing to arbitrate matters arising from the administration and implementation of the School's educational functions. Also exempted from the provisions of this Mediation and Arbitration of Disputes Agreement are any disputes which by law are required to be resolved by a governmental agency or are by law expressly exempted from arbitration.
8. If a dispute or claim involves an alleged injury or damage to which the School's insurance applies, the School's insurer may elect not to submit the dispute or claim to mediation or arbitration as described in this Agreement, in which event unless the parties otherwise agree, this Mediation and Arbitration of Disputes Agreement shall no longer be binding with regard to that part of the dispute or claim to which the School's insurance applies. Except as otherwise provided herein, the parents, legal guardians and legal representatives of their student agree that this Mediation and Arbitration of Disputes Agreement shall provide the sole remedy for any dispute between them, their children, or students, and the School and do hereby waive, on behalf of themselves, their children and students, the right to file any legal action against the School in a civil court or agency, except to enforce an arbitration award.
